

JOB DESCRIPTION – NURSE, ROMILA PALLIATIVE CARE

ABOUT SNEHA

SNEHA, a Mumbai-based non-profit with over 450 staff, focuses on improving health and nutrition in urban slums. Using a life-cycle approach, it addresses critical health and nutrition needs at key stages—from adolescence to family planning—aiming to enhance outcomes for women and children in vulnerable communities across Mumbai and the Mumbai Metropolitan Region.

It focuses on enhancing urban health by empowering both care seekers and providers. We work with informal settlement communities to drive change and partner with public health systems to ensure sustainable improvements. Our programs include Maternal and Child Health, Empowerment of Health and Sexuality of Adolescents, Public System Partnership, Prevention of Violence against Women and Children, SNEHA Shakti, Palliative Care, and Livelihood Generation.

ABOUT THE PROGRAM

Romila Palliative Care

This project seeks to provide palliative care to all people, irrespective of caste, creed, religion and economic status, to allow them to live their life with minimum pain, with dignity and comfort, to the very end. It seeks to provide prevention of and relief from suffering to patients with life-limiting illness or experiencing intense pain through provision of medical support, counseling and spiritual services.
